A Touchstone Energy<sup>®</sup>  
Cooperative 

**Warren Rural Electric  
Cooperative Corporation**

951 Fairview Avenue

PO Box 1118

Bowling Green KY 42102-1118

(270) 842-6541

[www.wrecc.com](http://www.wrecc.com)

## Program Overview

Warren RECC is proud to support classrooms and schools that strive to educate students on energy related topics and be better community stewards by becoming more energy-efficient and self-reliant.

Five \$700 grants will be awarded to qualifying classrooms and/or schools performing a project/service that will educate the classroom or school on energy related topics.

Grants will be awarded for one year.

Applications will not be considered unless all required information is furnished.

## Eligibility Requirements

- The school must be in the Warren RECC service territory or have more than 75% of the student body whose parents/guardians are Warren RECC members.
- This is a competitive grant and will be awarded for the 2018/2019 school year.
- Winners will be selected by a Grant Committee composed of Warren RECC employees.

## General Guidelines

- Applications are available at [www.wrecc.com](http://www.wrecc.com) or contact Jenny Rich at (270) 842-6541.
- Completed applications must be postmarked no later than **October 19, 2018**.
- No late applications will be considered.
- Winners will be notified no later than **October 26, 2018**.

Classroom teachers and/or school administrators must complete the entire application and submit any additional information, if necessary.

**Project must be energy related** (i.e. electricity, coal, hydropower, nuclear, wind, solar, biomass).

Examples of acceptable projects/expenditures include, but are not necessarily limited to, the following:

- Purchase of energy management kits/tools, such as energy team kits from NEED (National Energy Education Development Project), for students/energy teams.
- Energy related teacher/student materials (workbooks, manuals, handouts).
- Speakers to promote and bring awareness to energy efficiency/conservation (school assembly or large group setting).
- Schools purchasing vending machine misers, CFL light bulbs, smart power strips, or other items that will assist the school building to conserve electricity and be used as an educational opportunity with the students.

**If your grant application is approved, you will be notified to proceed with your project/service. Warren RECC must receive a copy of your purchase order and/or invoice, issued from the finance director, sent to the attention of Jenny Rich for reimbursement.**

# 2018/2019 Energy Grant Application

Applications must be postmarked or emailed no later than October 19, 2018.  
No late applications will be considered.

**Please Return Applications To:**  
Jenny Rich, Grant Committee  
**Mail:** Warren Rural Electric Cooperative Corporation  
PO Box 1118 • Bowling Green, KY 42102-1118
